COMMUNIQUE

First General Assembly of CRUFAOCI in Dschang

The Vice-Chancellor of the University of Dschang (Cameroon) informs the university community and the public that the next General Assembly of the Rectors Conference of Francophone African and the Indian Ocean Universities (CRUFAOCI, *in French*) will be held in Dschang from February 19 to 22, 2018.

This meeting will handle together three major activities: the general assembly itself, the university governance training, the quality assurance workshop for the institutional managers, contact point of the Quality Assurance Program of the African and Malagasy Council for Higher Education (CAMES, *in French*).

This is the first time for a Cameroonian university to host such an event. The Vice-Chancellor therefore calls for the active involvement of all, in order to reserve a warm welcome to the cream of the continental intelligentsia and ensure a smooth progress of the working sessions.

Students, lecturers, technical and administrative staff, partners of the university, ... together let's join our hands through this event to open a shining phase of the history of Dschang./
