**INFORMATION TO STUDENTS WISHING
TO DO INTERNSHIP AT THE BAMENDA CITY COUNCIL (BCC)**

It has always been a pleasure for the Bamenda City Council to have students on internship. As part of our Corporate Social Responsibility, we think it good to keep students continuously informed and to maintain some order in this aspect.

From now hence, we will accept applications for internship from January to April and after the 30th of April, applications will no longer be accepted.

Also, internship at the Bamenda City Council is between the months of July and September, and students have just a maximum of two months for this exercise.

We count on you to circulate this information to the entire student body of your institution.

Thanks for your collaboration.
