G. Information

1. Grading systems of the institutions

[It is recommended that receiving institutions provide the statistical distribution of grades according to the descriptions in the ECTS users' guide⁷. A link to a webpage can be enough. The table will facilitate the interpretation of each grade awarded to students and will facilitate the credit transfer by the sending institution.]

1.1 UNIMORE -Marks awarded at Italian universities are on a scale from 18 to 30 scale (30 being the highest vote/18 the lowest). If the mark is not over 18 then the exam performance is considered unsatisfactory so no grade is written on the university student's record book. A certain number of credits are awarded for each examination.

One ECTS credit in the Italian system corresponds to 25 working hours, taking account of all types of activity required (lessons, seminars, individual or group study, etc.). So 1 CFU (CreditoFormativoUniversitario) is equivalent to 1 ECTS credit. Statistical distribution of grades according to the descriptions in the ECTS users' guide will be available at: <http://www.unimore.it/international/ects.html>.

1.2 UDs -Marks awarded at Cameroonian universities are on a scale from 0 to 20 scale (20 being the highest vote/ 0 the lowest). If the mark is not over 10, then the exam performance is considered unsatisfactory so the mark is written on the university student's record book but he failed his exam. A certain number of credits are awarded for each examination.

Each semester of study is assigned 30 credits or E.C.T.S. (European Credit Transfer System). One ECTS credit in the Cameroonian system corresponds to 15 working hours, taking account of all types of activity required (lessons, TP/TD, individual study work, etc.). Statistical distribution of grades according to the descriptions in the ECTS users' guide is available at : <http://www.camer-campus.com/lmd/>

2. Grading systems

2.1 Both parties agree on a shared grading conversion table, facilitating the interpretation of each grade awarded to students and the grade transfer by the beneficiaries' home institution (details will be finalised in an operational document);

2.2 University of Modena and Reggio Emilia grading system details, as well as statistical distribution of grades for each department and grading conversion tables can be found at the following link: <http://www.unimore.it/international/ects.html>. Information is available only in ITALIAN.
