

Dschang the 26 April 2019

## ANNOUNCEMENT

*First Africa-China workshop on « Governance of forest lands, investment and sustainability in Africa*

The Vice-Chancellor of the University of Dschang, informs the entire university community, the public and diverse media houses, that a first ever Africa-China workshop on « Governance of forest lands, investments and sustainability in Africa » will be organized from the 3<sup>rd</sup> to 5<sup>th</sup> September 2019 in Yaoundé.

Organized under the patronage of his Excellency the Minister of Forestry and Wildlife, this workshop aims at facilitating constructive political sciences dialogue between, policy makers and key actors involved in the governance of Chinese investment in the Forestry sector in Africa. The participants of this workshop will include scientists, policy makers, representatives of local communities, private actors, civil society organizations and journalists. This workshop is jointly organized by UDs, University of Göttingen (Germany) and the global Environmental Institute (China).
