Announcement

Setting up the CATI²-UDs Campus of Ebolowa and Special call for innovative ideas

The **Vice Chancellor of the University of Dschang** informs the university community and the public of the city of Ebolowa and its environs of the **creation of a Support Centre for Technology, Innovation and Incubation of the University of Dschang (CATI²-UDs)** of the Wood, Water and Environment Sector (FMBEE) of the Faculty of Agronomy and Agricultural Sciences (FASA) of the University of Dschang in Ebolowa.

CATI²-UDs is a skills development tool for entrepreneurship. It provides young people with an incubator intended to support them in their entrepreneurial project by providing them with: coaches, dedicated infrastructure and equipment.

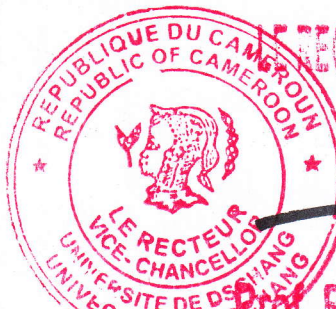

The special call for innovative ideas from **CATI²-UDs, Ebolowa Campus** targets young people who wish to create a profitable business in Cameroon.

Open to all young people, it is completely **free of charge**.

The winners obtain **individual professional coaching** to move from the project idea submitted to a **viable business project**.

To apply, **simply submit your project idea** to the Secretariat of the FMBEE-Ebolowa Coordinator before **February 14, 2020**.

Those wishing to obtain more information are invited to contact Professor ATANGANA ATEBA, Facilitator of CATI²-UDs Ebolowa Campus (Tel: 699 80 18 17) ./-
