RADIO/PRESS RELEASE
(Wide Publicity)

The Minister of State, Minister of Higher Education announces to the general public and prospective applicants that those who are interested in the United Kingdom (UK) Commonwealth Master's and Ph.D Scholarships tenable in the UK have some practical conditions which they must meet before applying for these scholarships. Aspiring applicants are advised to start the application procedure for admission and the other prerequisites while waiting for the offer to be made public by the Commonwealth Scholarship Commission (CSC) in due time. These conditions are:

- A supporting statement from a named supervisor from at least one of the UK institutions to which they are applying (reserved for Ph.D candidates);
- Secure admission in a UK University which has a part funding agreement with the CSC. For a list of these universities, visit the **CSC website on UK-universities.**
- Three References from three individuals to be **submitted directly by the referees to the Online Application System** in due time preference will be given to the most recent references;
- Must hold a first degree of at least upper second class honours (2:1) for the Master's level;

u05

- Must hold a second class degree and a relevant postgraduate qualification (Master's degree) for Ph.D candidates;
- Must NOT be registered or have commenced a Ph.D, or an MPhil leading to a Ph.D at a UK University or in your home country before September/October 2023;
- Make a solid study plan which shows the development impact of your studies in your home country;
- Be unable to afford to study in the UK without this scholarship;
- No discrimination as to age, health status, disability, race, religion, gender, pregnancy, maternity, marital status, or socio-economic status;
- Open even to workers.
