## ANNOUNCEMENT

The Faculty of Science of the University of Dschang is organizing on **Saturday March 2, 2024** at the Amphitheater 600 of Campus C, the **first Chemistry Festival of Cameroon** under the sponsorship of the Vice-Chancellor of the University of Dschang and the support of the American Chemical Association (ACS), on the theme: **“Appropriation of the role of Chemistry in our daily live and the development of Cameroon”**. The event will bring together about 500 participants, including students from the Menoua Division and some Chemistry teachers from secondary schools.

This festival aims to create or strengthen the enthusiasm of young students for this science of transformation of matter, which contributes to the spirit of initiative and curiosity; creativity; common sense, etc. necessary for the certain success of these young people and a guarantee of the development of our country.

The Dean invites the public and the university community to massively participate to this event.
