English Law	Intellectual Property Law	- Hold a Doctorate/Ph.D. in Intellectual Property Law. - Research work or at least teaching (Tutorials) in the field of Intellectual Property Law.

## FACULTY OF SCIENCE

Department	Specialty	Profile of candidate
Mathematics- Computer Science	Computer Science/Machine Learning for deception Resilience and Agility	-Hold a Doctorate/PhD in computer science.
	Mathematics	- Hold a Doctorate/PhD in one of the following specialties: -Geometry - Statistics -Algebra
Renewable energies	Bioenergy / Applied Biochemistry, Applied Chemistry, Applied Biology	- Hold a Doctorate/PhD in Engineering Science, Biomass/biomaterials option; -Having skills in areas of valorization or transformation of biomass into energy is of added advantage; -Hold an engineering degree in complex systems; - Mastery of biochemical and thermochemical processes for producing biofuels.
	Electrical/Electrotechnical and Automatic Engineering	- Hold a Doctorate/PhD in Electrical Engineering/physics of complex systems; - Works combining electrical engineering and energy is of advantage; - Holding an engineering degree in Electrical Engineering or renewable energy is an advantage; - Be able to initiate or participate in innovative teaching, research and development projects applied to electrical and thermal energy production techniques.

## FACULTY OF AGRONOMY AND AGRICULTURAL SCIENCES

Department	Specialty	Profile of candidate
Socio-Rural Economy and Agricultural Extension	Management of urban animal resources	Hold a Doctorate/PhD in Urban Animal Resources Management
Soil science	Organic materials and soil conservation management	Hold a Doctorate/PhD in Organic Materials and Soil Conservation Management
CRESA Forest-Wood	Geomatics	Hold a Doctorate/PhD in Geomatics

## FOTSO VICTOR UNIVERSITY INSTITUTE OF TECHNOLOGY OF UDs IN BANDJOUN

Department	Specialty	Profile of candidate
Renewable Energies	Solar energy / Wind energy, hydroelectricity and Biomass	<ul style="list-style-type: none"> <li>- Hold a Doctorate/PhD in one of the following specialties:</li> <li>• Renewable energies;</li> <li>• Electrical engineering;</li> <li>• Electronics.</li> <li>• Electrotechnics.</li> <li>• Mechanics.</li> <li>• Energetics.</li> <li>• Physics.</li> <li>- Have carried out research work in the field of renewable energies.</li> <li>- Have teaching experience.</li> </ul>
Biomedical engineering	Engineering and maintenance of biomedical devices	<ul style="list-style-type: none"> <li>- Hold a Doctorate/PhD in one of the following specialties:</li> <li>• Biomedical engineering;</li> <li>• Electrical engineering;</li> <li>• Electronics;</li> <li>• Electrotechnics;</li> <li>• Mechanics ;</li> <li>• Energy;</li> <li>• Physics.</li> <li>- Must have carried out research work in the field of biomedical engineering;</li> <li>- Must have teaching experience.</li> </ul>
Civil Engineering	Building - public works	<ul style="list-style-type: none"> <li>Hold a Doctorate/PhD in Geotechnics and Materials Valorization/Geotechnics;</li> <li>-Basic profile: Civil Engineering design engineer;</li> <li>-Have teaching experience in the field of Civil Engineering;</li> <li>-Have a good background in mathematics;</li> <li>-Have a good command of management and execution procedures for infrastructural projects;</li> <li>-Have sound experience in public and donor contracts management.</li> </ul>

## UDs INSTITUTE OF FINE ARTS IN FOUMBAN

Department	Specialty	Profile of candidate
Architecture and Engineering Arts	Specialized Architecture in eco-construction and eco-materials, sustainable architecture, performing architecture and display	<ul style="list-style-type: none"> <li>- Hold a PhD or a Professional master's degree in architecture (G.C.E. A/L+5 minimum) and be enrolled in a Research Master's Degree or a doctoral thesis in the same discipline;</li> <li>- Be registered with the "ONAC".</li> <li>- Have professional experience in an architectural firm;</li> <li>- Proof of pedagogic experience of at least 04 years teaching in higher education related to architecture, local materials and cultural mediation.</li> </ul>
	Specialized Architecture in commercial equipment and sports infrastructures, resilient housing, performing architecture and display.	<ul style="list-style-type: none"> <li>- Hold a PhD or a Professional Master's degree in Architecture (BAC+5 minimum) and be enrolled in a Research Master's degree or a doctoral thesis in the same discipline;</li> <li>- Be registered with the ONAC;</li> <li>- Have professional experience in an architectural firm;</li> <li>- Justify a pedagogical experience of at least 04 years of higher education related to the infrastructures of the specialty and cultural mediation.</li> </ul>
	Civil engineer specialized in science and construction technology	<ul style="list-style-type: none"> <li>- Be a Civil Engineering Design Engineer (G.C.E. A/L+5 minimum);</li> <li>- Hold a Doctorate/PhD or a Research Master's degree and be enrolled in a Doctoral thesis in the same specialty of the opened position;</li> <li>- Be registered with the ONIGC;</li> <li>- Proven professional experience demonstrating verified involvement in architectural and construction projects;</li> <li>- Have proven teaching experience of at least 4 years of higher education, particularly in Architecture, Building Technology, civil engineering drawing.</li> </ul>
	Architect specializing in heritage architecture, archaeology and museums, building legislation.	<ul style="list-style-type: none"> <li>- Hold a PhD or a Professional Master's degree in Architecture (BAC+5 minimum) and be enrolled in a Research Master's degree or a PhD thesis in the same discipline;</li> <li>- Be registered with the ONAC;</li> <li>- Justify a pedagogical experience of at least 04 years of higher education related to heritage architecture, archaeology and museums and construction legislation.</li> </ul>

Decorative Arts	Textile creation, Analysis and interpretation of a style in a fashion collection, collection file	<ul style="list-style-type: none"> <li>- Hold a PhD in decorative arts (fashion design, pattern making, fashion accessories and textile arts) or a professional Master's degree (G.C.E. A/L+5 minimum) and be enrolled in a Research Master's degree or a doctoral thesis in the same discipline;</li> <li>- Show proof of pedagogic experience of at least 04 years teaching in higher education related to the field;</li> <li>- Have a good knowledge in the development of the Professional Book;</li> <li>- Have a good command of the CAD/DTP computer tool.</li> </ul>
Arts Technology and Heritage	RDM wood structure, characterization of wood and fibers, anatomy, transformation, cubing and conditioning of wood	<ul style="list-style-type: none"> <li>- Hold a Doctorate in Fibers, wood, materials or clays or a professional Master's degree (G.C.E. A/L+5 minimum) and enrolled in a Research Master's degree or a Doctoral thesis in the same discipline;</li> <li>- Hold a Doctorate/PhD or a professional Master's degree, have a Research Master's degree with enrolment for a Doctorate/PhD thesis;</li> <li>- Proof of teaching experience of at least 04 years of higher education related to the field;</li> <li>- Have a good command of chemistry, treatment and preservation of wood and fibers.</li> </ul>

## FACULTY OF MEDICINE AND PHARMACEUTICAL SCIENCES

Department	Specialty	Profile of candidate
Pharmaceutical Sciences	Pharmacy	Be a pharmacist, holder of a Doctorate/PhD in pharmaceutical or biomedical sciences
Internal Medicine and Specialties	Endocrinology	Be a Medical doctor, with a specialization degree in endocrinology
Pediatrics, Child and Adolescent Health	Pediatrics	Be a Medical doctor, with a specialization diploma in pediatrics
Surgery and Specialties, Anesthesia-Reanimation	Neurosurgery	Be a Medical doctor, holder of a specialist diploma in neurosurgery

**- Application file:** Application files must either be sent to the Rectorate of the University of Dschang BP: 96 Dschang or be submitted to the Rectorate's Mail Service (door 103) no later than **Friday, July 05, 2024**.

Files must consist of the following documents:

- A stamped application addressed to the Rector of the UD;
- A certified photocopy of birth certificate;
- A detailed signed curriculum vitae;
- Certified photocopies of all certificates from G.C.E. A-Level;
- An attestation of presentation of original of the highest certificate.
- Offprints of any publications;
- A copy of the Doctoral thesis, dissertation or equivalent;

- For candidates holding a Master's degree or equivalent as the highest certificate, it is imperative to attach the thesis selection decision and the progress of the thesis work signed by the thesis supervisor;
- Teaching and/or internship certificates if applicable;
- A medical certificate dated less than three months issued by a public health sector medical doctor;
- A photocopy of valid CNI or the Receipt in lieu thereof;
- A certificate of non-conviction dating less than three months;
- A commitment on honor relating to the authenticity of the documents presented and the effective availability of the Candidate.

***NB: Any incomplete file will simply be rejected.***

**-Interviews:** Candidates whose files are complete and in accordance with the announced profiles will be invited for interviews that will take place, on a date to be determined, in the competent Departments of the various Faculties and schools of the University of Dschang. During these interviews, candidates will be required to bring the originals of their certificates.
