CHANCELLERY

THE VICE-CHANCELLOR'S OFFICE

ANNOUNCEMENT

Announcing the opening of an entrance examination for the Bachelor of Industrial Technology and Bachelor of Tertiary Technology programs in Continuing Education at the Fotso Victor University Institute of Technology (IUT-FV) of the University of Dschang, at JFN Hightech University Institute (JFH-HUI), and at the University Institute of the Coast (IUC), while specifying the number of available places for the academic year 2024 - 2025.

Saturday, September 28, 2024

It is brought to the attention

- of candidates holding a DUT, BTS, HND, DSEP, or DEUG in scientific and/or technological fields, or any other diploma recognized as equivalent by the Ministry of Higher Education,
- as well as candidates preparing in 2023-2024 for the aforementioned diplomas, that an entrance examination consisting of a written test and dossier evaluation is open for recruitment for the academic year 2023-2024. This is for the Bachelor of Industrial Technology and Bachelor of Tertiary Technology programs in Continuing Education at the Fotso Victor University Institute of Technology (IUT-FV) of the University of Dschang, at JFN Hightech University Institute (JFH-HUI) (authorization N°22-02948/L/MINESUP/SG/DDES/SD-ESUP/SDA/AEO dated May 10, 2022), and at the University Institute of the Coast (IUC) (authorization N°22-02849/N/MINESUP/SG/DDES/ESUP/SDA/AOSB dated May 5, 2022, and the extension agreement N°23-02855/L/MINESUP/SG/DDES/ESUP/SDA/AOSB dated March 29, 2023), in the following programs and options.

I- Fotso Victor Institute of Technology, University of Dschang (IUT-FV)

Bachelor of Technology: Field of Industry (IUT-FV)

Options	Ideal Candidate Profile	Tuition Fees	Places
Electrical Engineering Specialization: Electrical Engineering	For holders of a DUT, BTS, HND, or DSEP in Electronics, Electrical Engineering, or any other diploma recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	400 000 fcfa	160
Industrial Maintenance and Production	For holders of a DUT, BTS, HND in Electronics, Electrical Engineering, Industrial Maintenance, and Production, or any other diploma recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	400 000 fcfa	60
Automotive Mechatronics Specialization: After-Sales Service in Automotive Electronic Diagnostics	For holders of a DUT in Mechatronics Automotive, an HND, a BTS in MAVA, or any other diploma recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	400 000 fcfa	100
Automotive Mechatronics Specialization: Recycling and Construction	For holders of a DUT in Automotive Mechatronics, an HND, a BTS in MAVA, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	400 000 fcfa	100
Industrial Welding	For holders of a DUT in MIP, GMP, MKA, Industrial Engineering, BTS in MAVA, Mechanical Manufacturing, Mechanical Construction, Metal Construction, Boilermaking and Welding, Mechatronics, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	400 000 fcfa	60
Network and Telecommunications	For holders of a DUT, BTS, DSEP, HND in Telecommunications and Networks, Computer Science, Electronics, and Electrical Engineering,	400 000 fcfa	80

09 SEPT 2024

Options	Ideal Candidate Profile	Tuition Fees	Places
Engineering	or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.		
Computer Science and Networks Specialization: Internet Network Developer	For holders of a DUT, BTS, HND, DSEP, or DEUG in Computer Science, Telecommunications and Networks, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	400 000 fcfa	70
Computer Science and Networks Specialization: Internet and Network Quality and Security	For holders of a DUT, BTS, HND, DSEP, or DEUG in Computer Science, Telecommunications and Networks, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	400 000 fcfa	70
Civil Engineering Specialization: Building	For holders of a DUT, BTS, HND, or DSEP in Civil Engineering, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	400 000 fcfa	200
Civil Engineering Specialization: Public Works	For holders of a DUT, BTS, HND, or DSEP in Civil Engineering, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	400 000 fcfa	150
Geomatics Specialization: Geodesy – Photogrammetry – GIS – Remote Sensing – Surveying	For holders of a DUT, BTS, HND, or DSEP in Building, Public Works, Surveying, Computer Science, Agro-Pastoral and Rural Studies, Sanitation, Telecommunications and Networks, Electrical Engineering, or a DEUG in Computer Science, Physics, Mathematics, or Geology, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: Psychotechnical Tests	400 000 fcfa	70
Thermal and Industrial Energy Engineering Specialization: Management and Maintenance of Energy Installations	For holders of a DUT, BTS, HND, or DSEP in Electronics, Electrical Engineering, Industrial Maintenance and Production, Thermal and Energy Engineering, Refrigeration and Air Conditioning, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	400 000 fcfa	70

Bachelor of Technology: Tertiary Sector (IUT-FV)

Options	Ideal Candidate Profile	Tuition Fees	Places
Banking Option: Asset Management Bank	For holders of a BTS, HND in Banking, Accounting and Business Management, DEUG in Economics and Management, DUT in Tertiary Studies, DSEP in Tertiary Studies, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	400 000 fcfa	60
Accounting and Financial Management	For holders of a BTS, HND in Accounting and Business Management, DUT in Marketing Techniques, GAMO, and Tertiary Studies, DEUG in Economics and Management, DSEP in Tertiary Studies, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	400 000 fcfa	150
Management and Organization Management	For holders of a BTS, HND in SD, any DEUG, DUT, DSEP, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	400 000 fcfa	60
Digital Marketing	For holders of a BTS, HND in Commercial Action, Accounting and Business Management, Banking, DEUG in Economics and Management, DUT in Tertiary Studies, DSEP in Tertiary Studies, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	400 000 fcfa	100

I- JFN Hightech University Institute (JFH-HUI)

09 SEPT 2024

Licence de Technologie : Domaine de l'Industrie (JFH-HUI)

Options	Ideal Candidate Profile	Tuition Fees	Places
Electrical Engineering Specialization: Electrical Engineering	For holders of a DUT, BTS, HND, or DSEP in Automation and Industrial Computing, Electronics, Electrical Engineering, Industrial Maintenance and Production, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	755 000 fcfa	40
Computer Science and Networks Specialization: Internet Network Developer	For holders of a DUT, BTS, HND, DSEP, or DEUG in Computer Science, Telecommunications and Networks, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	750 000 fcfa	40
Computer Science and Networks Specialization: Internet and Network Quality and Security	For holders of a DUT, BTS, HND, DSEP, or DEUG in Computer Science, Telecommunications and Networks, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	750 000 fcfa	40
Civil Engineering Specialization: Building	For holders of a DUT, BTS, HND, or DSEP in Civil Engineering, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	755 000 fcfa	40
Mechanical Engineering Specialization: Automotive Mechatronics	For holders of a DUT in Automotive Mechatronics, an HND, a BTS in MAVA, or any other diploma recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	755 000 fcfa	40
Mechanical Engineering Specialization: Mechanical and Productive Engineering	For holders of a DUT in Mechanical Engineering, an HND, a BTS, or any other diploma recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	755 000 fcfa	40

Licence de Technologie : Domaine du Tertiaire (JFH-HUI)

Options	Ideal Candidate Profile	Tuition Fees	Places
Business Management and Administration	For holders of a BTS, HND in Business and Administration, Management, DEUG in Economics and Management, DUT in Tertiary Studies, DSEP in Tertiary Studies, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education; Content of the exam: synthesis on the specialized subjects of the program.	755 000 fcfa	40
Accounting and Financial Management	For holders of a BTS, HND in Accounting and Business Management, DUT in Sales Techniques, GAMO (Management and Business Organization), and Tertiary Studies, DEUG in Economics and Management, DSEP in Tertiary Studies, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education; Content of the exam: synthesis on the specialized subjects of the program.	755 000 fcfa	40
Management and Organizational Leadership	For holders of a BTS, HND in SD (Sustainable Development), any DEUG, DUT, and DSEP, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education; Content of the exam: synthesis on the specialized subjects of the program.	755 000 fcfa	40
Digital Marketing	For holders of a BTS, HND in Sales, Accounting and Business Management, Banking, DEUG in Economics and Management, DUT in Tertiary Studies, DSEP in Tertiary Studies, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education. Content of the exam: synthesis on the specialized subjects of the program.	755 000 fcfa	40

II- Institut Universitaire de la Côte (IUC)
Licence de Technologie : Domaine de l'Industrie (IUC)

09 SEPT 2024

Options	Ideal Candidate Profile	Tuition Fees	Places
Electrical Engineering Specialization: Electrical Engineering	For holders of a DUT, BTS, HND, or DSEP in Electronics, Electrical Engineering, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education; Content of the exam: synthesis on the specialized subjects of the program.	700 000 fcfa	100
Electrical Engineering Option: Maintenance of Electrical and Automatic Systems	For holders of a DUT, BTS, HND, or DSEP in Electronics, Electrical Engineering, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education; Content of the exam: synthesis on the specialized subjects of the program.	700 000 fcfa	100
Industrial Maintenance and Production Engineering	For holders of a DUT, BTS, HND in Electronics, Electrical Engineering, Industrial Maintenance and Production Engineering, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education; Content of the exam: synthesis on the specialized subjects of the program.	700 000 fcfa	80
Mechatronics	For holders of a DUT, BTS, DSEP, HND in Mechatronics, Mechanics, Electronics, Electrical Engineering, Automotive Maintenance, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education; Content of the exam: synthesis on the specialized subjects of the program.	700 000 fcfa	120
Computer Science and Networks Option: Internet Network Developer	For holders of a DUT, BTS, HND, DSEP, DEUG in Computer Science, Telecommunications and Networks, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education; Content of the exam: synthesis on the specialized subjects of the program.	700 000 fcfa	80
Computer Science and Networks Option: Quality and Security in Computer Science and Networks	For holders of a DUT, BTS, HND, DSEP, DEUG in Computer Science, Telecommunications and Networks, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education; Content of the exam: synthesis on the specialized subjects of the program.	700 000 fcfa	80
Computer Science and Networks Option: Decision Support Information Systems	For holders of a DUT, BTS, HND, DSEP, DEUG in Computer Science, Telecommunications and Networks, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education; Content of the exam: synthesis on the specialized subjects of the program.	700 000 fcfa	80
Civil Engineering Option: Building Construction	For holders of a DUT, BTS, HND, or DSEP in Civil Engineering, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education; Content of the exam: synthesis on the specialized subjects of the program.	700 000 fcfa	120
Civil Engineering Option: Public Works	For holders of a DUT, BTS, HND, or DSEP in Civil Engineering, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education; Content of the exam: synthesis on the specialized subjects of the program.	700 000 fcfa	80
Geomatics Engineering Option: Geodesy – Photogrammetry – GIS – Remote Sensing – Topometry	For holders of a DUT, BTS, HND, or DSEP in Building Construction, Public Works, Land Surveying, Computer Science, Agropastoral and Rural Studies, Sanitation, Telecommunications and Networks, Electrical Engineering, DEUG in Computer Science, Physics, Mathematics, Geology, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education; Contenu de l'épreuve : Tests Psychotechniques	700 000 fcfa	80
Industrial Thermal and Energy Engineering Option: Management and Maintenance of Energy Facilities	For holders of a DUT, BTS, HND, or DSEP in Electronics, Electrical Engineering, Industrial Maintenance and Production Engineering, Thermal and Energy Engineering, Refrigeration and Air Conditioning, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education; Content of the exam: synthesis on the specialized subjects of the program.	700 000 fcfa	80
Industrial Thermal and Energy Engineering Option: Renewable Energies	For holders of a DUT, BTS, HND, or DSEP in Electronics, Electrical Engineering, Industrial Maintenance and Production Engineering, Thermal and Energy Engineering, Refrigeration and Air Conditioning, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education; Content of the exam: synthesis on the specialized subjects of the program.	700 000 fcfa	80

09 SEPT 2024

Options	Ideal Candidate Profile	Tuition Fees	Places
Industrial Thermal and Energy Engineering Option: Decentralized Energy Production	For holders of a DUT, BTS, HND, or DSEP in Electronics, Electrical Engineering, Industrial Maintenance and Production Engineering, Thermal and Energy Engineering, Refrigeration and Air Conditioning, or any other diploma in the specialty recognized as equivalent by the Ministry of Higher Education; Content of the exam: synthesis on the specialized subjects of the program.	700 000 fcfa	80
Quality, Safety, Hygiene, and Environment	BTS/DEUG/DUT/HND in Hygiene, Quality, Safety in Business, Chemical Engineering, Biochemistry, Plant Biology, Geography, any industrial field, commerce, and Management, or any other diploma deemed equivalent. Content of the exam: synthesis on the specialized subjects of the program.	650 000 fcfa	60
Chemical Process Engineering	BTS/DEUG/DUT/HND/DSEP in Chemistry, Biochemistry, Process Chemistry, or any other diploma deemed equivalent. Content of the exam: synthesis on the specialized subjects of the program.	700 000 fcfa	60
Biomedical Instrumentation and Maintenance	BTS/HND/DUT/DEUG/DSEP in Biomedical Equipment Maintenance, Biomedical, Electrical Engineering, maintenance of hospital equipment, or any other diploma deemed equivalent. Content of the exam: synthesis on the specialized subjects of the program.	700 000 fcfa	80
Industrial Construction	BTS/DEUG/DUT/HND in Mechanical Manufacturing, Boilermaking, Industrial Maintenance, Construction, Sanitary Installation, or any equivalent diploma. Content of the exam: synthesis on the specialized subjects of the program.	700 000 fcfa	100

Applications for the competition are exclusively online at the address <http://sigesonline.univ-dschang.org/concours/listeconcours>, where you will find the list of required documents. Physical application files must be submitted in full to the Registrar's Office of the Institut Universitaire de Technologie Fotso Victor de Bandjoun, or to JFN Hightech University Institute, or to the Institut Universitaire de la Côte by Friday, September 27, 2024, at 3:30 PM at the latest.

Candidates will take the exam exclusively at one of the following centers (IUT-FV de Bandjoun or JFN Hightech University) on Saturday, September 28, 2024, starting at 08:00 AM. The exam will consist of a comprehensive test lasting 03 hours. The competition programs are those of the courses leading to the diplomas mentioned.

Application File for the Entrance Examination to the BACHELOR OF TECHNOLOGY

1. Have a valid email address;
2. Register on the website: <https://sigesonline.univ-dschang.org/concours/> Note: For obtaining the application and payment forms
3. A downloaded and stamped application form (fiscal stamp);
4. Transcripts from the first and second years of university and/or transcripts from BTS, DSEP, DUT, HND, or equivalent;
5. Optionally, a work certificate for employed individuals;
6. A certified copy of one of the diplomas qualifying for the competition;
7. A certified copy of the high school diploma (baccalauréat);
8. Four color ID photos (4x4);
9. A certified copy of the birth certificate, issued within the last three months;
10. A medical certificate issued by a government-employed doctor, dated within the last three months;
11. A stamped A4 envelope with a 400 franc stamp, bearing the candidate's address;
12. A receipt of payment of twenty thousand (20,000) CFA francs as the registration fee. This amount can be paid at an EXPRESS UNION, EXPRESS EXCHANGE, or MTN MOBILE MONEY agency upon presentation of a receipt previously downloaded and printed during online registration.

NB :

1. The pre-registration procedure form is available on the website <http://www.sigesonline.univ-dschang.org>, at the Registrar's Office and Career Guidance Service of the Institut Universitaire de Technologie FOTSO Victor de

h

Bandjoun (IUT-FV), at JFN Hightech University Institute (JFN-HUI), and at the Institut Universitaire de la Côte (IUC).

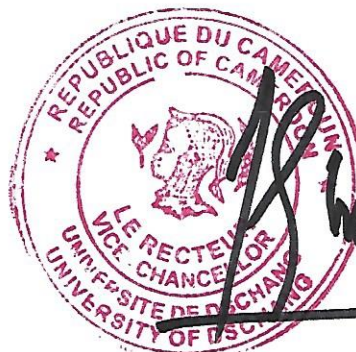

2. Candidates preparing for one of the diplomas mentioned above may be authorized to take the exam, subject to obtaining the required diploma.
3. Only candidates submitting a complete application file will be invited to take the exam.
