ANNOUNCEMENT

As part of its activities promoting research and academic inspiration, the University of Dschang will have the honour of welcoming researcher Dr. TCHONANG Babette Christelle, from the National Aeronautics and Space Administration (NASA), a specialist in **oceanography**, for a special presentation of her career and success story, on Friday August the 22nd, 2025 in the **Lecture Hall 354** of the University of Dschang (**Campus A**).

During this presentation, Dr. TCHONANG Babette Christelle will discuss her scientific career, the challenges she has overcome, her major discoveries, and the opportunities offered by marine science research. Her testimony aims to **inspire and motivate students**, particularly those interested in scientific careers and research in Cameroon and abroad.

The widespread participation of all students is highly encouraged.
