CALL FOR APPLICATION FOR STAFF MOBILITY - ERASMUS PROGRAMME

I am pleased to announce the launch of a call for application for a fourteen-days mobility for 01 academic staff at the Schmalkalden University of Applied Sciences in Germany. The Grant is made possible through funding from the ERASMUS Plus programme.

The present ERASMUS Plus Mobility Grant for Junior Researchers aims to strengthen the scientific capacity and networking of researchers from the University of Dschang through active cooperation between the University of Dschang and the Schmalkalden University of Applied Science. It further supports the academic staff in their efforts towards coaching and mentoring high potential junior researchers, helping them to access international networks of scientific excellence.

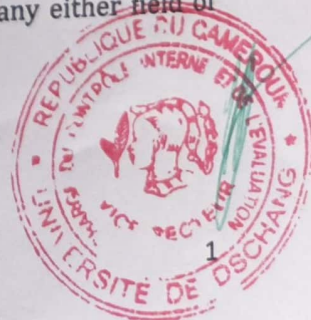

The ERASMUS Plus Mobility Grant is offering:

- One (01) position to Lecturer from Computer sciences, Faculty of Science, University of Dschang,
- One (01) position to Lecturer from the Department of finance, Faculty of Economics and Management, University of Dschang.

Applications are sought from young researchers who are in pursuit the highest level of research excellence with a demonstrated passion for delivering impact in teaching and research.

Research fields:

The call is open to young professionals who are engaged in active research in any either field of research previously mentioned.

Eligibility:

The fellowship is opened to young lecturer with the following minimum requirements:

- Be an academic staff of at least the grade of Lecturer (Chargé de Cours),
- Have a good command of English, German proficiency is an additional value,
- Conducting research in the domain of computer science or finance,

Selected candidate will be working at the University of Schmalkalden for fourteen (14) days.

Application:

The application file should contain the following:

- 1- A proof of current services at the University of Dschang
- 2- CV (two pages maximum) + list of publications
- 3- Proof of English proficiency (if any)
- 4- Motivation letter

Scientific selection:

The scientific selection is competitive, merit-based and conducted through an international peer review.

Calendar of implementation:

- Application deadline: November 21, 2025, 3:00 pm (Cameroon time)
- December 10, 2025: Interview
- December 15, 2025: Communication of results

Submission:

Application should be sent by email as a single PDF file at the following addresses:

nguelefack@yahoo.fr, p.voerkerl@hs-sm.de and sigurd.jennerjahn@daad-lektorat.de.
